

# Stardust

For educational purposes only

And now the purple dusk of twilight time  
 You wander down the lane and far away

Steadily across the meadows of my heart  
 Leaving me a song that will not die

High up in the sky the little stars climb  
 Love is now the star—dust of yesterday

Always reminding me we're apart

The music of the years gone by

Some - times I won - der why I spend

The lone - ly night dream - ing of a song

The mel - o - dy haunts my re - ver - ie

And I am once a - gain with you

When our love was new and each kiss an in - spi - ra - tion

But that was long a - go and now my con - so - la - tion
